New this year... online registration for Cumberland School District 2017 Summer School Classes!

To register, first review the course offerings and identify the courses your child is interested in taking. Then go to <https://goo.gl/forms/GP3tZggOeNfQ32Yq2> and complete the online registration form.

The advantage to online registration is that if your child has selected a class that is full, you will be prompted to choose a different class during the online registration process.

Online registration will open Friday, April 21 and run through Friday, May 5.

You will need to fill out an online **Summer School Registration** form for each child you are registering.

Upon submitting the online Summer School Registration form you will receive a confirmation email with your child's summer school classes.

If you are unable to register online, stop in at the Cumberland Elementary School Office or the Cumberland Middle School Office and we will help you complete the online registration.

District students are given equal opportunity to enroll in classes of their choice, but due to class size limits they may have to pick another class.

**CUMBERLAND SCHOOL DISTRICT
2017 SUMMER SCHOOL**

Welcome to our summer school program at the Cumberland School District! This booklet has many interesting courses and activities taught by certified teachers. We encourage you to register your child/children for as many courses as you wish. We've done our best to accommodate the needs of children of all ages, through four themes: academic, recreational, enrichment and remedial classes. If you have specific questions or need more information about any particular course, feel free to contact the elementary school office at 822-5123. Enjoy your summer school experience!

-----Summer School Coordinator, Jim Richie

Registration Procedures

1. The course booklet is laid out by dates with the youngest grades first. However, some classes cover many grades (2-4 for instance); please review all pages to determine which classes would be best for your child(ren). The location of each class is indicated with the course description. **Please check the dates and times carefully.** After you choose the courses you are interested in taking, go to <https://goo.gl/forms/GP3tZggOeNfQ32Yq2> and complete the online form to register.
2. **Grade levels listed indicate the grade your child will be entering in the fall.**
3. **Online registration will open Friday, April 21 and run through Friday, May 5.**
4. You will need to fill out an online **Summer School Registration** form for each child you are registering.
5. **Upon submitting the online Summer School Registration form you will receive a confirmation email with your child's summer school classes.**
6. If you are unable to register online, please stop in at the Cumberland Elementary Office or Cumberland Middle School office and we will help you complete the form.
7. District students are given equal opportunity to enroll in classes of their choice, but due to size limits they may have to pick another class.
8. **If your child has a food allergy or any health conditions, please let the teacher know.**
9. Registration forms for the 4 year old Kindergarten and Kindergarten have been given to the appropriate students.

Arrival and Departure Policy

1. The buildings will be open at 8:00 a.m. unless the class actually begins before that time.
2. Students must be picked up no later than 15 minutes after the class is completed. Elementary students will not be allowed to wait unsupervised outside.

BUS TRANSPORTATION

If you are interested in using bus transportation to or from Summer School, please fill out the online bus registration form only if you intend to use the bussing.

Transportation will be available for your child to arrive by 8:00 a.m. and to return home after 12:00 p.m. only during the first 3 weeks of summer school.

There will be a shuttle bus between the elementary, middle school/high school, and Islander Park at 10:00 and 12:00. You do not need to sign up for this transportation.

INCLEMENT WEATHER INFORMATION

In case of bad weather, WJMC will be notified and the coaches will let the elementary school know if a class is cancelled. Please feel free to call us at 822-5123 if you are wondering if the class will be held because of weather conditions.

KIDS CLUB REGISTRATION FORM

A kids club program may be provided from 12:00 p.m. to 6:00 p.m. for students in grades K-5th if there are enough participants. If you are interested in this program, please stop at the elementary office and pick up the kids club form and return it as soon as possible.

New this year... online registration for Cumberland School District 2017 Summer School Classes!

To register, first review the course offerings and identify the courses your child is interested in taking. Then go to <https://goo.gl/forms/GP3tZggOeNfQ32Yq2> and complete the online registration form.

The advantage to online registration is that if your child has selected a class that is full, you will be prompted to choose a different class during the online registration process.

Online registration will open Friday, April 21 and run through Friday, May 5.

You will need to fill out an online **Summer School Registration** form for each child you are registering.

Upon submitting the online Summer School Registration form you will receive a confirmation email with your child's summer school classes.

If you are unable to register online, stop in at the Cumberland Elementary School Office or the Cumberland Middle School Office and we will help you complete the online registration.

District students are given equal opportunity to enroll in classes of their choice, but due to class size limits they may have to pick another class.
