

2017 Cumberland Foundation Camp

This year, Cumberland Foundation Camp is excited to offer another year of summer programming. When Foundation Camp was founded in 2013, our goal was to bridge the gap between June and September and stop the “summer slide” that so many students are affected by. The camp continues to evolve and adapt to meet the needs of our students. Here are what is going on this summer:

FOR ELEMENTARY SCHOOL STUDENTS

Foundation Camp-Explorer is for students entering grades 1-4. It runs for 3 weeks starting on July 17th and ending on August 4th. Free breakfast and lunch is offered to all students.

To register, stop in the ES off or sign-up at:

<https://goo.gl/forms/EhUEhascN0IVdXfJ3>

FOR MIDDLE SCHOOL STUDENTS

Foundation Camp-Trails is for students entering grades 5-8. We are continuing our partnership with Boys and Girls Club and will be offering a camp here in Cumberland for one week starting July 10th. This camp will run from 8:00 AM - 3:00 PM and drop-off and pick-up will be at the Cumberland Boys and Girls Club.

To register, sign-up at:

FOR HIGH SCHOOL STUDENTS

Foundation Camp is hiring Cumberland HS for this summer. Applicants should be motivated and eager to work with school-aged children for 4 weeks from July 10th to August 4th. Applications can be picked up in the HS office and should be turned in by May 24th.

New Logo

Thanks to the help of Mrs. Korbelt and the high school art classes for submitting designs for a new Cumberland Foundation Camp logo! Madisen Hullander's design was selected, and will be used on all future mailings, forms and official documents. Thanks to all students who submitted designs.

For any questions, contact Evan Strangstalien at estra@csdmail.com
