Back to School

Cumberland School
District

CUMBERLAND SCHOOL DISTRICT

August 2023

Dear Cumberland School District Families:

On behalf of the School Board, Staff, and Administration, I extend a sincere welcome back for the 2023-2024 school year. Our outstanding and dedicated staff members in all three schools are truly looking forward to a year filled with a variety of learning experiences and accomplishments for your children!

Back-to-school is a time of new beginnings, from little ones walking into school for the first time to high school seniors quickly approaching graduation, as well as new teachers and administrators, all eager to teach and inspire. Our team of dedicated staff like always is ready to go as we welcome nearly 1,000 students through our doors this year. We can continue to be very proud of the many achievements and improvements being made in the Cumberland School District. Equally as important, we need to continue to build off these successes, not to maintain where we are at, but to continue to make a commitment towards making continuous progress and striving for excellence.

I would like to thank you in advance for taking that active role in your child's education and your continued support of our schools. Best wishes to you and your family on a productive and healthy 2023-2024 school year.

Please feel free to contact me at anytime if you have questions, concerns, or comments on the operations of the Cumberland School District. You may also visit our website at www.cumberland.k12.wi.us or check us out on social media to receive the most recent updates on all the great experiences and opportunities we have available in the Cumberland School District.

August 2023

Dear Parents, Guardians, and Students of Cumberland Elementary School,

Wow! Where has the summer gone? I am writing this letter to officially welcome you all to the 2023-2024 school year! I am Abe Ferguson, the new elementary school principal, and it is my hope that all of you made the most of your summer break and enjoyed some fun mixed with some relaxation.

Each of you are invited to our district wide open house on Wednesday, August 23rd from 11:00 AM-7:00 PM. All three schools will be filled with students, staff, and community members. The school has been busy all summer, but there is no better moment than when we have our halls and rooms filled with children again!

Also, the first official day of school is on Tuesday, September 5th. All of our staff are eagerly anticipating the big day and cannot wait to meet your children and start the year off on the right foot!

On a personal note, I am extremely excited to start my career as a principal in the Cumberland School District. The students, staff, and community have been amazing in welcoming me and my family to the city. Whether it be at the open house, first day of school, or out in the community, I cannot wait to meet each and every one of you. You have a great situation here in Cumberland and I cannot wait to be a part of it.

Sincerely,

Abe Ferguson
Cumberland Elementary Principal

August 2023

Dear Cumberland Middle School Families,

Welcome back to school! I hope that you have had an enjoyable summer. We are excited about the first day of school and have been working hard to provide all students with an excellent educational experience.

I would like to welcome students and families to the Cumberland School District Open House. You can visit with teachers, and see our improvements including our new playground! Get ready for a great 2023-2024 school year. The Cumberland School District Open House will be held on Wednesday, August 23 from 11:00 a.m. – 7:00 p.m. All schools will be open for visits from students, parents, and community members during this time.

Joining the Cumberland Middle School team this year are Kara Haughian, 5th Grade Teacher, Holly Waterman, Middle School Art Teacher, and Lucas West, Middle School Band and Music.

We look forward to a great year and seeing you at Open House!

Sincerely,

Colin Green
Cumberland Middle School Principal

August 2023

Dear Cumberland High School Families:

It is with great enthusiasm that I welcome you back to the 2023-2024 school year! The staff has been working hard preparing for the first day of school and we are all excited to have students back in the building.

The District-Wide Open House will take place on Wednesday, August 23, from 11:00 a.m. – 7:00 p.m. This is an important event for all high school students/families. Please plan to attend so everyone is ready for the first day of school on Tuesday, September 5.

As this new school year begins, please know that your child's well-being is a top priority. Research has shown that participating in school activities leads to a greater sense of community and student self-esteem. Please encourage your son/daughter to join one (or more) of our incredible extra and co-curricular activities. CHS has a lot to offer and it can help your son/daughter succeed academically as well.

As the school year progresses, please do not hesitate to contact me if you have any questions or need assistance. It is an honor to serve the families of Cumberland High School.

Sincerely,

Daniel J. Hopkins, Principal
Cumberland High School

Dear Parents/Families:

I hope this finds you well and excited for another year of school. Below are several reminders regarding student health at school.

Immunizations:

Please be sure your children's immunizations are up to date before school starts. You can contact your clinic/provider for this information. Additional immunizations received during the school year should be reported to the school nurse.

Requirements for Pre-K Students:

- 4 doses DTaP/DTP/DT
- 3 doses Polio
- 3 doses Hepatitis B
- 1 dose MMR
- 1 dose Varicella

Requirements for Kindergarten Students:

- 4 doses DTaP/DTP/DT
- 3 doses Polio
- 3 doses Hepatitis B
- 2 doses MMR
- 2 doses Varicella

Requirement for Students Entering 7th Grade (this is new, it was previously 6th grade):

- 1 dose of Tdap
- If your child has received a tetanus-containing vaccine in the past five years, they are exempt from this requirement. Proof of either is necessary.

Evidence of immunity through lab testing of measles, mumps, rubella, varicella, and hepatitis B is also acceptable. If your child has had chickenpox, proof of illness from a healthcare provider will also be accepted. Parents choosing not to vaccinate their children will need to complete a waiver and return that to the school. A new waiver is required at each of the above grade levels.

Medications:

Non-prescription medications must be provided by the parent in its original container. Tylenol, ibuprofen, Benadryl, etc. will NOT be provided by the school. All medication must be checked in and kept in the school office. Dosage requests from parents that are greater than package recommendations will not be administered without a doctor's order (see prescription medications). Medications will not be administered if they are not in their original container and written parent permission is not received. A medication consent form is enclosed with this mailing, complete the bottom portion only for non-prescription meds.

Prescription medications must have a signed order from the health care provider and the parent's written permission before they can be administered. Medication must be in its original container from the pharmacy. At no time is a student to carry or administer their own medications without the proper paperwork and permission forms completed. A medication consent form is enclosed with this mailing. Parents complete the bottom portion. A healthcare provider completes and signs the top portion. Many health systems have computer generated medication at school forms with an electronic signature from the provider. This is an

acceptable alternative to the top portion of the school form. Forms may also be faxed to your child's school if that is more convenient.

Medical Conditions:

Children with medical conditions such as diabetes, epilepsy, severe allergies, asthma, etc. that require additional supplies, need to have all necessary supplies and equipment to the school before the first day of school. The open house is a great opportunity to bring in supplies.

Diabetes- students are encouraged to have a snack supply kept in the nurse's office/classroom to treat low blood sugar, in addition to a snack they keep close to them. It is required that a prescription treatment for hypoglycemia is kept at the school (Glucagon, Baqsimi, etc). Students also must have diabetes at school orders from their doctor. Please make sure all forms are complete and insulin and testing supplies are at the school by the first day.

Life threatening allergies- students that use an Epi-Pen need to supply their own pen for school. The pen, medication forms, and an allergy plan, need to be at the school by the first day.

Seizure disorders - students need to have their seizure plan, emergency medication, and paperwork to the school by the first day.

Asthma- students that use a rescue inhaler, need to have one at school. A medication consent form is required for this. Students need parent and physician approval to carry it on themselves.

Emergency Form:

Please look at this form (enclosed in this mailing) and make sure it is up to date!! Current medical condition information is very helpful when making decisions regarding your child's care during illness or injury. Also, inform me of any new or changed health conditions during the school year.

Nurse Office Visits:

I am available at all schools daily. When care is given to a child, I will contact the parent/guardian by phone call, text or email, as deemed necessary. When it is determined that your child is ill enough to be sent home, you will be contacted by phone. Please make sure your contact information is up to date. This includes at least one emergency contact a current phone number.

Illness/Absence:

Please contact the school office in the morning if your child will be absent and inform them why he/she will not be attending. If your child has been ill, he/she should be free of a fever for 24 hours or symptoms of a fever (chills, flushed appearance, feeling warm, or sweating), without the use of fever-reducing medications before returning to school. For illnesses that cause two or more episodes of vomiting or diarrhea, a student needs to be free from these symptoms for 24 hrs before returning to school The Wisconsin Department of Health Services guidelines are used for communicable illnesses at school.

Screenings:

Vision and hearing screenings are conducted on select grade levels and as requested by a teacher or parent. Parent/guardian will be informed if a child does not pass a screening. The Northlakes Dental Clinic will also be offering dental screenings and sealants. This is free of charge regardless of insurance status. A consent form is included in this mailing.

I ask for your assistance in controlling the spread of all illnesses by keeping your child home if they are not feeling well or exhibiting symptoms of illness. Your willingness to help in this small way will keep everyone healthier. Contact me anytime if you have questions or concerns.

Kristin Olson, BSN, RN
School Nurse

Cumberland School District 2023-2024 Assessment Dates

Assessments in education are a part of instruction and it helps determine whether or not goals in Education are being met. While we understand assessments are a small piece of the educational process, state assessments help educators with instructional needs of students, placement and advancement of courses, and even curriculum choices. Although it seems like a lot of required assessments, district and state assessments take up a very small percentage of the school year.

Please refer to the district assessment schedule and take note of when your child(ren) might be participating in district and state assessments. It is important that your child(ren) be in school during these dates. Please contact me with any questions or concerns.

Assessment	Dates
ACCESS (State Required Assessment) *Any K-12th Grade Students who have been identified as an English Language Learner.	January 8 - 19, 2024
ACT (State Required Assessment) *All 11th Grade Students are required to take this assessment.	March 26, 2024 Students Testing with Accommodations March 26 - April 5, 2024
PreACT Secure (State Required Assessment) All 9th and 10th Grade Students are required to take this assessment.	10th grade April 5, 2024 9th Grade April 5, 2024
FastBridge/SABRS (District Required Assessment) *All K-8th Grade Students	Fall September 5 - 15, 2023 Winter January 8 - 18, 2024 Spring May 28 - June 4, 2024
iReady Diagnostic (District Required Assessment) *All K-8th Grade Students	Fall September 6 - 29, 2023 Winter January 2 - 31, 2024 Spring May 1 - 31, 2024
FastBridge (District Required Assessment) *All 9th-11th Grade Students	Fall September 5 - 15, 2023 Winter January 8 - 18, 2024 Spring May 28 - June 4, 2024
Wisconsin Forward (State Required Assessment) *3-8th, 10th Grade Students	April 8 - 26, 2024

*Students will not test every day, but building schedules will be created for assessments to take place during this window.

The Cumberland School District is excited to let you know that you can access your child's PowerSchool account and information. Once you've created an account and are logged in, you will be able to view your child's attendance, lunch balance, and other information. You can also set up lunch balance email notifications.

If you need assistance in creating an account or need to know your child's Access ID and Password, please see a building secretary at Open House. They will be happy to assist you and answer any PowerSchool questions you may have.

You can also visit our Cumberland School District website at www.cumberland.k12.wi.us for up-to-date, informative, and exciting news about our school's happenings.

A screenshot of the PowerSchool SIS login page. At the top is a dark blue header with the PowerSchool SIS logo. Below it is the heading 'Student and Parent Sign In'. There are two tabs: 'Sign In' (selected) and 'Create Account'. Below the tabs are two input fields: 'Username' and 'Password'. To the right of the 'Forgot Username or Password?' link is a blue 'Sign In' button.

The e-Funds for Schools program offers various options for parents/guardians who choose to make payments online and is extremely user-friendly. Not only will you have the ability to have various PowerSchool fees and meal payments electronically withdrawn from your checking account or charged to your credit card, you also have the flexibility to make a payment at any time through the Cumberland School District's website. The District does not request or keep records of family checking or credit card account information. The system carries a Non-Sufficient Funds (NSF) charge if the payment is "bad". You are in full control of your account and can make a payment at any time that is convenient for you. No payments will be allowed without your knowledge and authorization through this secure payment system.

By providing your home and/or work email address, an email notification informing you of the student's name, the purpose of the payment, and the amount of the item will be sent to you each time that a payment is to be processed. The e-Funds For School site is secure and uses industry-standard data encryption.

Information on how to register for your child's e-Funds account can be obtained by contacting a building secretary at Open House.

Great Opportunities After School Care

Cumberland Kids Club

Make after-school plans now for your 4K through 4th-grade children. The Kids Club Program, sponsored by Cumberland Community Education, is an after-school enrichment, recreational, and leisure time program at the Cumberland Elementary School. The program is open from 3:20 until 5:30 p.m., Monday through Friday, on regular school days for children in the Cumberland District. Kids Club will not be available on non-school days or early release days. This service is for parents whose children need supervision after school.

Activities will include games, creative play, arts and crafts, tutoring, special events, projects, and a wide variety of other enrichment and fun activities.

Kids Club will provide:

- * A safe, healthy, and comfortable environment
- * Caring supervision by a qualified adult
- * A consistent group of playmates
- * Choices of a wide variety of wholesome activities
- * A healthy, nutritious snack
- * Lots of fun!

Families will be charged \$3.00 per child for each night. The price will be the same regardless of the time the child/children are in attendance. We will accept cash or check but would appreciate it if payments are made through the Cumberland School District online e-Funds account.

If you have any questions, please contact the Community Education Director, Susan Bridger, at 715-822-5121, ext. 403.

Boys & Girls Club of Barron County

The Cumberland School District has partnered with the Boys & Girls Club of Barron County. The new location is in the Cumberland Middle School. Make after-school plans now for your 5th through 8th-grade children. The club will be open from 3:30 until 6:00 p.m., Monday through Friday, on regular school days for children in the Cumberland District. The club will not be available on non-school days or snow days.

Our goal is to engage club members in activities that are fun & enjoyable while supporting their development. Some of our exciting activities include:

- * STEM
- * Smart moves
- * Power hour
- * Project learn
- * Club tech
- * A healthy, nutritious snack
- * Anti-bullying
- * Social skills, and more!

Membership fees and forms are available in the Middle School Office or on our websites. The program fee for the entire school year is \$20.00.

For more information, please contact the Boys & Girls Club at 715-822-5122, ext. 240, or visit our websites at bgcbarroncounty.org or www.cumberland.k12.wi.us
