

Remind 101 is a safe text and email service for school-to-parent communication. Initial set-up requires users to provide their name for registration with Remind 101. Cumberland School District will not have access to parent phone numbers and/or email addresses. The goal is to keep alerts to approximately one per group per week on an as-needed basis; however, there may be instances when additional alerts are necessary.

How to sign up for TEXT and/or EMAIL ALERTS from Cumberland School District
