Dear Parents/Guardians:

We wish to emphasize that the Cumberland School District **does not** provide any type of health or accident insurance for injuries incurred by your child at school. As a service to students and their families, our school is making available a student accident insurance plan for your child at a very nominal cost. The district offers this program because of trends in rising family health and dental insurance costs, increased deductibles, co-payments, or lack of health or dental insurance coverage.

Reasons to Purchase this Coverage:

1. Deductible and co-pays in your health plan. Many health plans have increased the amount of out-of-pocket expenses.
2. No insurance.

This plan will provide benefits for medical expenses incurred because of an accident. If you have other insurance, our benefits can be applied to your deductible or co-pay. If you have no other insurance, this will become your primary accident plan.

To enroll your child in this accident plan it is necessary to proceed as follows:

Purchase coverage on-line (with VISA or Mastercard) at www.1stAgency.com and then follow directions at "Find Your School".

OR

Print brochure PDF from the website page at www.1stAgency.com and pay with check or money order.

All questions regarding this coverage should be directed to First Agency, Inc. (269) 381-6630 or toll free 1-800-243-6298.

Please sign and return the information below if you already have adequate insurance.

Please return this section to school if you do not want to purchase this insurance.
