

CUMBERLAND SCHOOL DISTRICT

Student Locker Searches

A search of a student is "reasonable" under the 4th Amendment if it meets two tests:

- ◆ There must be reasonable grounds to suspect the search will reveal evidence of a violation of either the law or school rules, or
- ◆ The way in which the search is conducted must be reasonably related to the objectives of the search and must not be overly obtrusive in light of the age and sex of the student and the nature of the infraction.

School administrators and/or designees will conduct searches. The locker assigned to a student is not the student's private property or under his/her exclusive possession and may be opened and inspected by school administrators/designees at any time if there is "reasonable suspicion" that unauthorized item(s) are in the locker. Unauthorized items may be removed. Students can be asked, but not required, to empty their pockets, purses, etc. by school administrators/designees for search. The police may be contacted to assist searches. The police will conduct automobile searches on school grounds. Strip searches are prohibited.
