

Donations Wanted

Students love to show their school spirit by wearing Cumberland Beaver gear, but sometimes it's hard for families to afford it. That's where the new school spirit store at the middle school will help. CMS students will stock, tidy, and run the store once it has enough apparel to offer and all students in the district will be allowed to 'shop' at the store.

If you have gently used Cumberland Beaver gear of any size (youth-adult) that you would like to donate, please make sure it is washed and clean. Monetary donations will also be accepted to help purchase new items to stock the store. All donations can be dropped off at the middle school office.

A simple contribution, such as a T-shirt, can make a lasting difference in the life of a child.
