ANNUAL NOTICE OF SPECIAL EDUCATION REFERRAL AND EVALUATION PROCEDURES

- Upon request, the Cumberland School District is required to evaluate a child for eligibility for special education services. A request for evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district. A physician, nurse, psychologist, social worker, or administrator of a social agency, who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent that the referral will be made.
- Others, including parents, who reasonably believe a child is a child with a disability, may also refer the child, including a homeless child, to the school district in which the child resides.
- Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting Tianna Olsen, School Psychologist, Cumberland School District, at 715-822-5123 ext. 134 or tolse@csdmail.com; or by writing to the Cumberland School District, 1010 8th Avenue, Cumberland, WI 54829. Referrals can also be made to Tami Bowman, Director of Special Education at 715-822-5123 ext. 130 or tbowm@csdmail.com
