#### 2414 - **HUMAN GROWTH AND DEVELOPMENT**

The Board of Education directs that students receive instruction in human growth and development, consistent with Chapter 118.019(2) Wis. Stats.

The Board authorizes the curriculum to include separating students on the basis of gender as determined by the Committee.

A citizens' advisory committee shall be established, in accordance 118.019(5), Wis. Stats., in order to ensure the effective participation of staff, parents, health-care professionals, members of clergy, and other residents of the District in the design and implementation of this program area.

The District shall provide parents annually with an outline of the human growth and development program used in their child's grade level as well as information regarding how the parent may inspect the complete program and instructional materials. Prior to use in the classroom, the program shall be made available to parents for inspection.

The District shall notify the parents, in advance of the instruction and give them an opportunity, prior to instruction, to review the complete program and instructional materials and of their right to have their child excused from the instruction. The notice shall state that, in the event a student is excused, that student will still receive instruction under Wis. Stat. 118.01(2)(d)2c unless exempted and under Wis. Stat. 118.01(2)(d)8.
